

Code of Ethics

- Certified mold professionals shall conduct themselves in a professional manner and discharge their duties with integrity and fairness to their clients and to the public in general.
- Certified mold professionals shall uphold the honor and integrity of their profession, avoiding any association with an organization of questionable character or where a conflict of interest may exist.
- Certified mold professionals shall recognize the health and well being of their client as the primary goal of every inspection and remediation project.
- Certified mold professionals shall provide their client with clear, reasonable and efficient advice.
- Certified mold professionals shall maintain the financial best interest of the client.
- Certified mold professionals shall recognize the limits of their training and only perform services within the scope of their expertise.
- Certified mold professionals shall make every effort to uphold, maintain, and improve the integrity, reputation, and practices of their profession.
